How to:
register to MyNorth

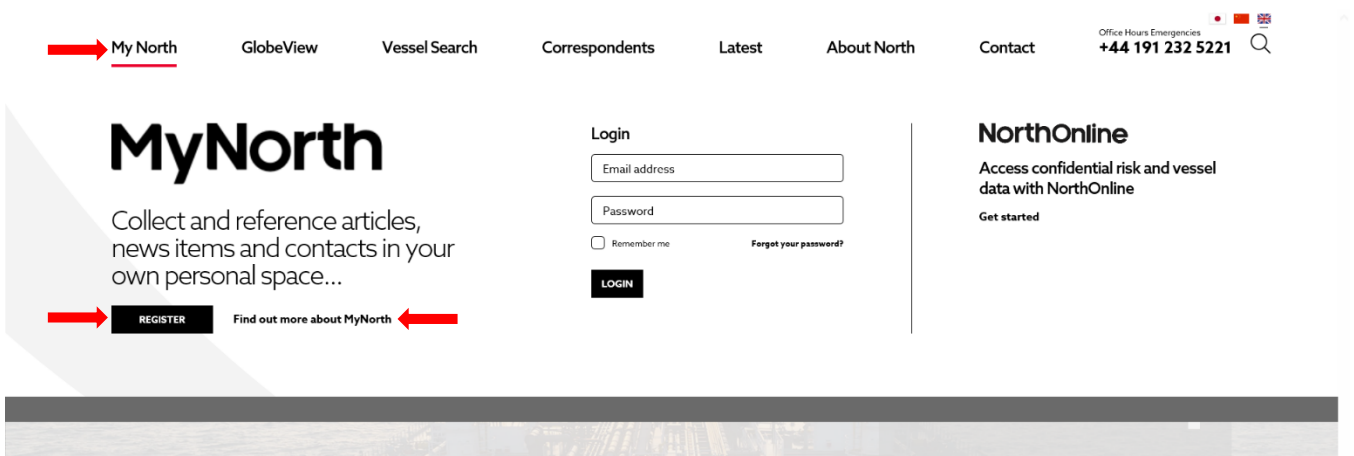

How to: register to MyNorth

1. Once you are on North's website (www.nepia.com) there are a few ways in which you can register for MyNorth. You will see the MyNorth block at the bottom of each page (when logged out), or if you try to complete an action which requires a MyNorth account, a pop-up will appear to prompt you to register / log in. The below example covers the main access to MyNorth, via the top navigation.

The example provided is for a Member registration, however the registration process is the same for each account type other than visitor, which requires no validation.

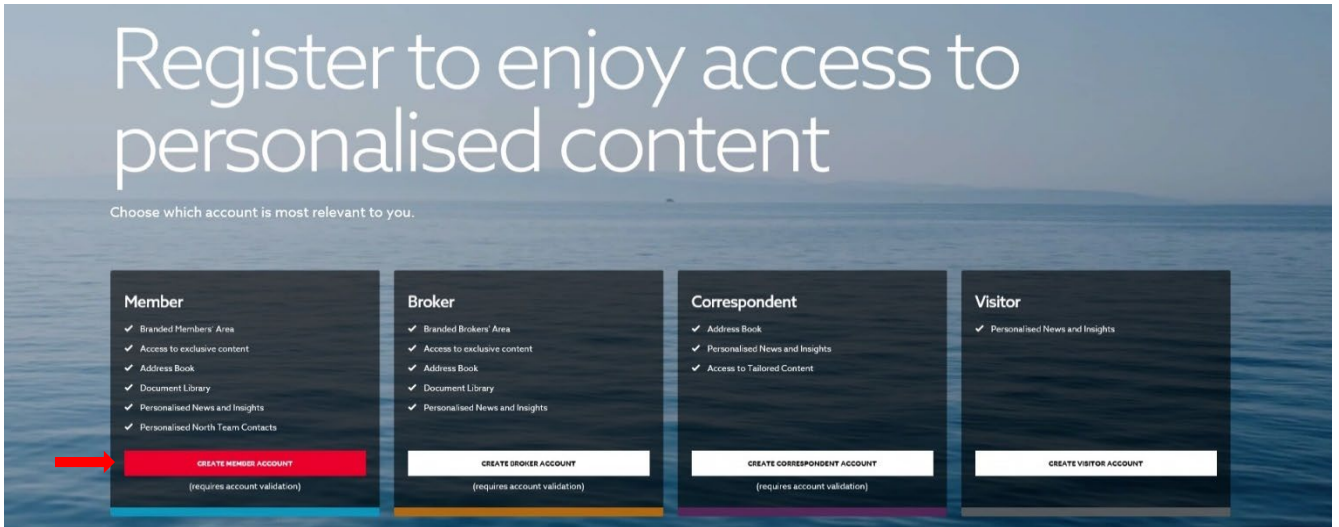

2. Hover over the 'MyNorth' in the main navigation and select 'Register'.

For more information, select 'Find out more about MyNorth'.

3. Select 'Create Member account' from the four options.

4. Enter your details and select 'Create account'. Mandatory fields are highlighted with an asterix. Please use an individual work email for your registration as MyNorth accounts are individual to you and can be tailored to your preferences. For Members who do not have an individual work email, we recommend you use a personal email address rather than a group email address i.e. general@northshipping.com.
