

Global service  
built around you

# North

# MyGlobeView

powered by Geollect

North P&I Club has launched **MyGlobeView** an advanced interactive geographical information portal exclusively for North entered Members and correspondents.

FREE &  
EXCLUSIVE

for North Members  
and Correspondents.

### What is MyGlobeView?

MyGlobeView is our latest digital resource developed in conjunction with our partner **Geollect**. The portal builds on the success of our public-facing **GlobeView** platform and offers greater personalisation combined with a broader range of regularly updated data sources to assist those involved in shipping operations.

### How can I access MyGlobeView?

You can access **MyGlobeView** through your MyNorth account. Instructions can be found in our easy to use 'How-To guide' on [www.nepia.com](http://www.nepia.com)

### KEY BENEFITS:

Over 30 regularly updated and real-time data sources

Set your own preferences

Simple access via your MyNorth account

### What's the difference between GlobeView and MyGlobeView?

#### GlobeView

- Free to all
- 10 data sources, including:
  - ✓ Enduring and current risks
