

North's P&I Team

OVERVIEW & KEY FACTS

Our worldwide Protecting and Indemnity (P&I) insurance covers the full range of third party risks, including people claims, marine casualty, pollution and cargo liabilities for shipowners and charterers. P&I insurance protects you from a huge variety of risks. This includes personal injury to your crew members and passengers, cargo damage, wreck removal and pollution clean-up and compensation. This highly specialist insurance is our primary business and our expertise is available to you whether you're a shipowner or a charterer.
