

Safe Work

# Restricted Visibility

**Safe work** is North of England's loss prevention initiative to promote good practice and safe systems of work on board ship.

**Safe work** is maintaining a proper lookout as the primary function of the bridge team.

**Safe work** means proceeding at a safe speed adapted to the prevailing circumstances and conditions of restricted visibility.

**Safe work** requires the use of hand steering in restricted visibility when appropriate.

**Safe work** means using electronic navigation techniques suitable for the prevailing circumstances and conditions.

**Safe work** means effective bridge team management to reduce the risk of an error by one person resulting in a dangerous situation.

**Safe work** practices will reduce the number of incidents and accidents.
