

Safe Work

Working Aloft

Safe work is North of England's loss prevention initiative to promote good practice and safe systems of work on board ship.

Safe work means that seafarers should be competent and properly trained for the task to be performed.

Safe work means adopting measures that take account of proper risk assessment.

Safe work means that seafarers should take responsibility for their own safety and the safety of others.

Safe work means that seafarers should always use appropriate personal protective equipment.

Safe work practices will reduce the number of incidents and accidents.
